CALL FOR ABSTRACT SUBMISSION

=====

DCE 2021 | Doctoral Congress in Engineering

28-29 June, 2021

4th edition of the event (online)

Abstracts due: March 31st, 2021

=====

Dear colleagues,

Let us encourage you to take the opportunity and share your ongoing work and/or (preliminar or/and original) results with peers, professors, researchers and industry, at this Congress.

The Congress will have 13 parallel Symposia:

- [Biomedical Engineering](#)
- [Chemical and Biological Engineering](#)
- [Civil Engineering and Spatial Planning](#)
- [Electrical and Computer Engineering](#)
- [Engineering Physics](#)
- [Environmental Engineering](#)
- [Informatics Engineering](#)
- [Materials Science and Engineering](#)
- [Mechanical Engineering](#)
- [Mining and Geo-Resources Engineering](#)
- [Occupational Health and Safety](#)
- [Sustainable Energy Systems](#)
- [Transport Systems](#)

Please check the submission **topics** in each Symposia webpage by clicking in the links above.

Submissions of abstracts (until April 2nd) will be eligible for either poster (1 page abstract) or oral presentation (2 pages abstract/short paper).

Best oral communications and poster presentations will have the opportunity to win an **Award**.

Book of Abstracts (with ISBN) will be published, by Symposia, with all accepted and revised abstracts.

After the Congress, invitations will be made to publish extended abstracts/papers in the **Symposium Proceedings** of several papers (according to the Symposia area).

PhD candidates, researchers and professors from any academic institutions are invited to participate, as well as MSc (master) students as prospective doctoral candidates.

Regarding **payment of registration fees**, please check your Symposium webpage or contact the Symposium Chair.

Please find more information at www.fe.up.pt/dce

=====

We all look forward to seeing you in June!

The Organizing Committee of DCE21
