2022–2025

ASIA
starting
in 2021

WHO can join?

- Teams with 3 or 4 members
- Each member must be enrolled in University
- Knowledge of basic Project Management concepts

COMPETITION PHASES

The International Project Management Championship is a **3-step competition for university students** challenging project management competencies.

1st Step: QUALIFICATION ROUND

- **1 online test**
- **100 multiple choice questions in 100 minutes**
- **English language**

The test must be completed at **one attempt** and can be accessed only from **one computer**.

The **6 teams** reaching the highest score **qualify for the National Final**.

2nd Step: NATIONAL FINAL

Each team must solve a business case study and submit its own presentation in front of a Jury who will announce the winners.

The winning team will represent the Netherlands in the International Final.

3rd Step: INTERNATIONAL FINAL

The **winning team of the National Final competes** with all the **other national teams** to **gain** the title of **PM Champions worldwide.**

The **International Final** is a **2-day event** hosted each year in a different country, ending with a Gala Dinner where the announcement of the Champions takes place.
