

# Comunicado COVID - 19 (5)

Following the previous information on this subject and Information Notice CG/11/2020, regarding the IST Contingency Plan around the new Coronavirus (COVID-19) the following decisions will be implemented:

1. Not to authorize missions abroad, from 6 March.
2. To repeal authorizations for missions that are already granted to this date (the present decision overcomes the previous authorization given by the president in the dot platform).
3. Authorization for missions abroad, which are regarded as indispensable and cannot be postponed shall be decided upon by the President of IST, on a case by case basis, following a duly justified request.
4. Without prejudice to the provisions of the paragraph above, missions to countries with active community spread of Coronavirus (COVID-19), whose list has been elaborated by the Portuguese Directorate-General for Health, shall not be authorized.
5. On-site events with more than 50 participants are not permitted.
6. Under application of the previous paragraph, all lectures, including practical and laboratory, scheduled and planned for the second semester of this academic year, are expressly excluded.
7. Until all disinfection solutions for placement beside biometric reading terminals for monitoring staff presence are available, the use of this equipment is suspended.
8. Control and validation of staff presence during the period of suspension of said terminals shall be made by the direct supervisor at the SAP Portal - Assiduidade.

Considering that the current situation is changing practically by the hour, this Information shall be updated in line with most recent developments and the evaluation that at each time is made as regards the adequacy of the measures now adopted in order to prevent and control COVID-19.

Rogério Colaço  
President of IST
