

Information COVID -19 (6)

Following the previous announcements of the President of IST regarding COVID-19, and the decisions taken today by the University of Lisbon considering the evolution of the situation regarding COVID-19, Instituto Superior Técnico takes the following set of measures for containing the spread of the virus in the campuses:

1. Suspend classroom activities from Wednesday, March 11, until Friday, March 27, replacing them, whenever possible, with other teaching means through distance learning instruments. Tomorrow, detailed information on how to proceed to implement the necessary distance learning measures will be sent to the School.
2. Suspend the operation of libraries, study spaces and 24-hour rooms.
3. Recommend self-isolation to all those with suspicion of contamination, including those who return from risk areas.

These measures, which will apply in the next two weeks, will be adjusted according to the need and the evolution of the situation.

Rogério Colaço.
President of IST
