

# Information COVID -19 (18)

To the members of the community of Instituto Superior Técnico.

We have received today, from the Office of the Minister of Science, Technology and Higher Education (MSTHE), the information clarifying the terms of application of the decisions of the Council of Ministers (DCM) of the 30th October 2020 to the operation of higher education institutions, namely IST.

This information can, and should, be consulted by all members of the IST community at [https://wwwcdn.dges.gov.pt/sites/default/files/comunicado\\_mctes\\_dges\\_v02nov2020final.pdf](https://wwwcdn.dges.gov.pt/sites/default/files/comunicado_mctes_dges_v02nov2020final.pdf)

In general, the MSTHE information corroborates the operating regime for fall semester of 2020/2021 that was implemented at IST. However, the IST administrative services are carefully analyzing the DCM and the MSTHE information and if any readjustments, will be communicated to the School in the upcoming days.

I would also like to inform you that the information, at its point 2, clarifies that “students, teachers, researchers and workers have no mobility restrictions in the counties covered by the exceptional measures”.

Stay protected, stay healthy!

Rogério Colaço  
President of IST
