

Information COVID -19 (20)

To the professors and students of IST.

The Decree nº 9/2020 that regulates the application of the state of emergency decreed by the President of the Republic establishes that “on November 30th and December 7th (...) the teaching and non-teaching activities with the presence of students in public schools are suspended”. Thus, on these two days, activities involving the use of rooms at the IST campuses are suspended. The tests and examinations that are scheduled for these days must be rescheduled and the reservation of new rooms with the GOP must be made.

Stay protected, stay healthy!

Rogério Colaço
President of IST
