

Information COVID -19 (21)

To the IST community,

Taking into account the content of the statement that the Prime Minister has just communicated, the terms under which the new state of emergency will be implemented will come into force at 00 hours on Friday, January the 15th, 2021.

Thus, during tomorrow, and after the analysis of the Diploma of the Council of Ministers that regulates this state of emergency, the School will be informed of any changes of its activities that may occur.

Stay protected, stay healthy!

Rogério Colaço
President of IST
