

Information COVID -19 (33)

To the entire IST community,

Today's decision by the Council of Ministers to back off the deconfinement phase and enter an alert situation in the Lisbon results in the need to maintain the testing program " Técnico, regresso seguro" until the end of the examination's season.

Therefore, in the next weeks, messages will again be sent out to schedule rapid tests, with priority being given initially to all the people from the IST community who, for various reasons have not yet had the opportunity to take these tests.

At the same time, the IST Community will continue to be able to perform PCR tests by filling out the form available at https://docs.google.com/forms/d/e/1FAIpQLSdH3yBqHySWLjyDBmsgK1rpgE_54H3zOFIb5zdpWTBgYHRQ1w/viewform.

Stay protected, stay healthy!

Rogério Colaço
President of IST
