

Information COVID -19 (36)

To the entire IST community,

In view of the possible entry in a 5th wave of the COVID19 pandemic, and in order to help control the spread of the virus in the IST community, ensuring the continuation of normal functioning of its teaching and non-teaching activities, the ongoing SARS-COV-2 testing program on campuses will be reinforced during the coming weeks.

The testing, which currently takes place twice a week in Alameda and once a week in Taguspark, will be extended according to needs and demand.

As before, any student, faculty, staff member or researcher may request, on their own initiative, the free testing to COVID19, in case of suspicion/risk of infection, by filling out and submitting the form here

https://docs.google.com/forms/d/e/1FAIpQLSdH3yBqHySWLjyDBmsgK1rpgE_54H3zOFIb5zdpWTBgYHRQ1w/viewform

Stay protected, stay healthy!

Rogério Colaço
President of IST
