Unite! Visiting Professorship Program – Open Call

2nd Cycle, Winter semester 2025/26.

The Unite! Visiting Professorship Program intends to attract outstanding international talents to promote interdisciplinarity in teaching and didactic innovation through international experience. This strategic cooperation format promotes networking with researchers at Unite! partner universities thus broadening the academic careers of the visiting scientists. Students of TU Darmstadt likewise will profit from such internationalised teaching experience.

General requirements

The Unite! visiting professorship program is open to all subjects taught and offered at TU Darmstadt. **Up to 13 visiting professorships** may be supported financially. Primarily, the programme is targeting experienced postdocs, but lecturers and professors in an advanced career phase can also apply. Visiting professors from our Unite! partner universities offer supplementary/elective courses at TU Darmstadt, ideally with new topics. **Starting in the winter semester 2025/26**, the appointment period should cover the lecture period from mid-October to mid-February and needs to extend over 01.12.2025. A visiting professorship may be established **for two years at maximum**.

Financial Considerations

For the winter semester 2025/2026, the costs for all 13 available Unite! Visiting Professorships **will be fully covered centrally by TU Darmstadt**. These positions are intended to be filled for the entire semester. In the case of extensions, the respective Faculties and Institutes at TU Darmstadt will be responsible for covering the additional costs.

Application

In the first step, interested candidates from Unite! partner universities are encouraged to **contact departments and institutes directly or through the Unite! team at TU Darmstadt**. The candidates should submit a brief biography along with a letter of intent outlining potential courses they could teach at TU Darmstadt and ideas for possible research collaborations.

In the second step, interested departments and institutes at TU Darmstadt should submit a short application **by March 31st, 2025**, via mail to: unite@tu-darmstadt.de including:

- a statement about the added value of teaching at TU Darmstadt and for Unite!
- a proposal for a suitable candidate in form of a recommendation letter (max. 1 – 1 ½ pages)
- an academic curriculum vitae, doctoral certificate and, if existing, postdoctoral qualification to teach at professorial level (recruitment requirements according to § 68 HessHG)

The successful candidates for the visiting professorships will be announced **by the end of April 2025**.

Further information and contact

In case you have any queries, please do not hesitate to contact the Unite! Institutional Coordinator at TU Darmstadt, [Dr.-Ing. Nebojša Čamprag](#).
